

Cesar Chavez Elementary School Counseling Program

Greetings parents,

The rapid spread of COVID-19, commonly referred to as the coronavirus, has forced districts to implement school shutdowns across the country. Providing quality services during these times is a high priority for your school counselor. The following information pertains to virtual counseling services available to K-6 children who attend Cesar Chavez Elementary School.

School Counseling Plan for Distance Counseling Services:

Objective

The goal of virtual school counseling is to provide programming to encourage engagement in the virtual school counseling platform to ensure students can gain access to the tools required to reach their potential. Provide students with academic, social, and emotional support throughout the transition, adjustment, and continued participation of virtual schooling.

Counselor's Role

I, Mrs. Gonzalez, will continue to provide counseling services in a virtual setting to students through the use of technology. I will continue to work collaboratively with all stakeholders to ensure equity, access and success of all students. Students and parents will have access to connect with me [via e-mail](#), [telephone](#), [zoom meetings](#), and [primarily my google classroom](#).

Ethical and Professional Standards

You can assure that this service will be provided with the same standards and adherence to ethics as working in traditional school settings. I recognize and acknowledge the challenges and limitations of virtual school counseling and therefore, mitigate the limitations of virtual school counselor confidentiality, which may include unintended viewers or recipients

Contact information:

e-mail: azucenag@cusdk12.org (schedule a zoom meeting)

Phone number: (760) 618-6069 (office hours from 10:00am to 5:00pm)

Please add your son/daughter to my google classroom with code [lqtztej](#).
